EXAMINATION RESULTS – [MONTH YEAR] EXAMINATIONS

P05 Insurance law Result: Distinction
Mark: 160 Pass mark: 110

P10 Commercial insurance practice Result: Fail
Mark: 81 Pass mark: 110
Feedback code(s): A4 B5 C6

If you fail, these codes are provided and tell you how well you performed on the different parts of each exam.

The letters (A, B, C) refer to different groups of questions:

- A = questions 1–7 (Part I – compulsory questions)
- B = questions 8–14 (Part I – compulsory questions)
- C = questions 15–18 (Part II – 2 questions selected from 4)

The numbers following each letter (1 to 6) indicate how well you performed on these groups of questions:

- 1 = significantly above the pass standard
- 2 = above the pass standard
- 3 = at or marginally above the pass standard
- 4 = marginally below the pass standard
- 5 = below the pass standard
- 6 = significantly below the pass standard.

Therefore, for unit P10 shown above:

- 'A4' shows that on questions 1–7 this candidate was marginally below the pass standard.
- 'B5' shows that on questions 8–14 this candidate was below the pass standard; and
- 'C6' shows that on questions 15–18 this candidate was significantly below the pass standard.

TOTAL UNITS PASSED: 1

Additional feedback, should your result be a fail:

'Mark below 50%' – where this is shown, (financial planning exams only) questions where you scored less than 50% of the available marks are listed.

'Feedback codes' – where this is shown, (insurance exams only) please visit www.cii.co.uk/resultguidance for an explanation of these codes.
