EXAMINATION RESULTS – [MONTH YEAR] EXAMINATIONS

P93 Commercial property and business interruption

Mark: **105** Pass mark: **110**

Result: Fail

Feedback code(s): **A4 B4 C4**

P94 Motor insurance

Mark: **93** Pass mark: **110**

Result: Fail

Feedback code(s): A4 B5 C6

P96 Liability insurances

Mark: **40** Pass mark: **110**

Result: Fail

Feedback code(s): A6 B6 C6

If you fail, these codes are provided and tell you how well you performed on the different parts of each exam.

The letters (A, B, C) refer to different groups of questions:

- A = questions 1–7 (Part I – compulsory questions)
- B = question 8–14 (Part I – compulsory questions)
- C = questions 15–17 (Part II – 2 questions selected from 3)

The numbers following each letter (1 to 6) indicate how well you performed on these groups of questions:

- 1 = significantly above the pass standard
- 2 = above the pass standard
- 3 = at or marginally above the pass standard
- 4 = marginally below the pass standard
- 5 = below the pass standard
- 6 = significantly below the pass standard.

Therefore, for unit P93 shown above:

- 'A4' shows that on questions 1–7 this candidate was marginally below the pass standard.
- 'B4' shows that on questions 8–14 this candidate was marginally below the pass standard; and
- 'C4' shows that on questions 15–17 this candidate was marginally below the pass standard.

TOTAL UNITS PASSED: ZERO

Additional feedback, should your result be a fail:

'Mark below 50%' – where this is shown, (financial planning exams only) questions where you scored less than 50% of the available marks are listed.

'Feedback codes' – where this is shown, (insurance exams only) please visit www.cii.co.uk/resultguidance for an explanation of these codes.
