

# Online exam centres

The CII offers a year-round online exam service for a number of its qualifications. This allows candidates to plan study around business commitments and enter as and when ready.

Our national network of centres includes over 40 locations across the UK.

This map indicates the regional spread of locations.

For further details of our online exam centres visit [www.cii.co.uk/online](http://www.cii.co.uk/online)
