

Pensions and retirement planning

R04 December 2015 edition

Web update 01: 29 January 2016

Please note the following update to your copy of the December 2015 edition of the **R04: Pensions and retirement planning** study text:

Chapter 2.1, section B6, page 2/37

Please amend case study 2.2 to read:

Case study 2.2

Reconsider example 2.32, but this time assume that Jeanne makes the £70,000 contribution herself and her employer does not contribute.

Explain, giving your reasons, whether the answer to example 2.32 would change.
