

P67 COMP

April 2017

M67/P67: Fundamentals of risk management study text, 2017–18 edition

Enclosed is a revised and reprinted edition of the M67/P67 study text (based on the P67 syllabus). This should replace entirely your October 2015 edition. Please note that this edition is being sent to you automatically as part of your updating service, irrespective of whether you have recently entered for or have passed this examination.

You will see that the new edition of the study text is referenced as M67/P67. This is to reflect the two methods of assessment now in place for this unit. (P67 continues to be assessed by written examination, held in April and October, while M67 has a new 'mixed' assessment method – coursework and a multiple-choice exam.)

Updates and amendments have been made throughout the text; where relevant, web updates issued for the October 2015 edition have been included.

A summary of where the principal changes have been made is given below:

Chapter 1: section A4A amended.

Chapter 3: sections A3A, A3B and A4 amended.

Chapter 4: section D3 amended.

Chapter 6: section A3 amended.

Chapter 7: sections A, A4, B2B and B4 amended.

Questions/answers, websites, key terms/points, statutes and index: amended where relevant.

We hope this information is helpful to you.
