M90/P90: Cargo and goods in transit insurances study text, 2017–18 edition

Enclosed is a revised and reprinted edition of the M90/P90 study text (based on the P90 syllabus). This should replace entirely your October 2015 edition. Please note that this edition is being sent to you automatically as part of your updating service, irrespective of whether you have passed this examination.

You will see that the new edition of the study text is referenced as M90/P90. This is to reflect the two methods of assessment now in place for this unit. (P90 continues to be assessed by written examination, held in April and October, while M90 has a new 'mixed' assessment method – coursework and a multiple choice exam.)
