

Award in General Insurance (Hong Kong)

WH1 2017–18 edition

Web update 1: 2 October 2017

Please note the following update to your copy of the 2017–18 edition of the **WH1** study text:

Chapter 9, section A

Please note that the independent Insurance Authority (IA) started regulating insurers in Hong Kong on 26 June 2017, replacing the former Office of the Commissioner of Insurance (OCI). It is intended that it will begin regulating insurance intermediaries, currently the responsibility of the HKFI, CIB and PIBA, in approximately two years' time.

Visit the independent IA's new website to learn more about the changes at www.ia.org.hk.
