

Trusts

Purpose

At the end of this unit, candidates should be able to demonstrate an understanding of the:

- legal principles associated with the creation and management of a trust;
- main types of trusts that are common in the UK;
- taxation considerations relevant to trusts.

Summary of learning outcomes

1. Explain the structure of a trust and the roles of the main parties;
2. Explain how trusts are created;
3. Explain the rules covering the investment of trust assets and the administration of trusts;
4. Explain substituted decision making, to include all types of Power of Attorney and other options;
5. Explain the use of Wills and the consequences of dying intestate;
6. Explain the bankruptcy rules, the role of the trustee in bankruptcy and alternatives to bankruptcy;
7. Analyse how trusts are subject to tax and how a liability can fall to the settlor, trustees or beneficiaries;
8. Explain how life, pension and other investments can be placed in trust, and the tax implications;
9. Apply effective trust and related tax planning solutions.

Important notes

- This syllabus will be examined in the October 2018 and April 2019 sessions.
- Candidates will be examined on the basis of English Law and practice in the tax year 2018/2019 unless otherwise stated.
- The general rule is that exams are based on the English legislative position three months before the date of the exams.
- Candidates should refer to the CII website for the latest information on changes to law and practice and when they will be examined:
 1. Visit www.cii.co.uk/qualifications
 2. Select the appropriate qualification
 3. Select your unit on the right hand side of the page

Reading list

The following list provides details of additional resources which may assist you with your studies.

Note: The examination will test the syllabus alone.

The reading list is provided for guidance only and is not in itself the subject of the examination.

The resources listed here will help you keep up-to-date with developments and provide a wider coverage of syllabus topics.

CII/PFS members can access most of the additional study materials below via the Knowledge Services webpage at www.cii.co.uk/knowledge.

New resources are added frequently - for information about obtaining a copy of an article or book chapter, book loans, or help finding resources, please go to www.cii.co.uk/knowledge or email knowledge@ci.co.uk.

Further articles and technical bulletins are available at www.cii.co.uk/knowledge (CII/PFS members only).

Reference materials

International dictionary of banking and finance. John Clark. Hoboken, New Jersey: Routledge, 2005.*

Lamont's financial glossary: the definitive plain English money and investment dictionary. Barclay W Lamont. 10th ed. London: Taxbriefs, 2009.

Harriman's financial dictionary: over 2,600 essential financial terms. Edited by Simon Briscoe and Jane Fuller. Petersfield: Harriman House, 2007.*

Tolley's tax guide. Claire Hayes, Ruth Newman, Chris Jones. London: LexisNexis Tolley. Annual.

Tolley's tax planning. Rebecca Forster. London: LexisNexis. Annual.

* Also available as an ebook through Discovery via www.cii.co.uk/discovery (CII/PFS members only).

Examination guides

Guides are produced for each sitting of written answer examinations. These include the exam questions, examiners' comments on candidates' performance and key points for inclusion in answers.

You are strongly advised to study guides from the last two sittings. Please visit www.cii.co.uk to buy online or contact CII Customer Service for further information on +44 (0)20 8989 8464.

Alternatively, if you have a current study text enrolment, the latest exam guides are available via www.revisionmate.com.

Older guides are available via www.cii.co.uk/past-exam-guides (CII/PFS members only).

Exam technique/study skills

There are many modestly priced guides available in bookshops. You should choose one which suits your requirements.

The Insurance Institute of London holds a lecture on revision techniques for CII exams approximately three times a year. The slides from their most recent lectures can be found at www.cii.co.uk/iilrevision (CII/PFS members only).
