

Investment planning

Learning Outcomes

At the end of this unit, candidates will be able to:

Evaluate the complex needs of clients and recommend appropriate solutions based upon **detailed understanding and analysis** of the:

1. Economic environment and its impact on investment performance and investment decision making;
2. Features, risks and returns of direct financial investments;
3. Features, risks and returns of collective investment products;
4. Individual company performance and company accounts;
5. Types and measurement of risk and returns;
6. Main principles governing how to construct an investment portfolio, investment theories and management styles;
7. Range of portfolio management services.

Entry guidance

It is assumed that the candidate already has the knowledge gained from a study of unit R02 Investment principles and risk or equivalent and/or J10 Discretionary investment management.

Important notes

- This syllabus will be examined from 1 September 2023 to 31 August 2024.
- Candidates will be examined on the basis of English law and practice in the tax year 2023/2024 unless otherwise stated.
- The general rule is that exams are based on the English legislative position three months before the date of the exams.
- Candidates should refer to the CII website for the latest information on changes to law and practice and when they will be examined:
 1. Visit www.cii.co.uk/learning/qualifications
 2. Select the appropriate qualification
 3. Select your unit from the list provided
 4. Select qualification update on the right hand side of the page

This PDF document is accessible through screen reader attachments to your web browser and has been designed to be read via the speechify extension available on Chrome. Speechify is a free extension that is available from <https://speechify.com>. If for accessibility reasons you require this document in an alternative format, please contact us at online.exams@cii.co.uk to discuss your needs.

Reading list

The following list provides details of further reading which may assist you with your studies.

Note: The examination will test the syllabus alone.

The reading list is provided for guidance only and is not in itself the subject of the examination.

The resources listed here will help you keep up-to-date with developments and provide a wider coverage of syllabus topics.
