## What's next in London Market reform?

**Date:** Tuesday 27 November 2018

**Time:** 1.15pm - 2.00pm

**Speaker:** Andrew Horton, Chair, London Market Group

In this future of the market lecture Andrew covered market modernisation and change and the impact this will have on the workforce of the future. Andrew briefed members on the current workstreams overseen by the London Market Group and reminded why these are important to the market. He also discussed how the market of the future will be different from where we are now and the impact this may have on the people and skills we will need to operate successfully within the market.

By the end of this lecture members would have gained an insight into:

- How the market is changing
- What you need to think about regarding roles and skills
- Use of data and technology

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.
