Qualification overview

The **CII Level 2 Award in Motor Insurance** is suitable for entry-level staff, anyone working in customer facing roles and those in support roles seeking to build a better understanding of Motor insurance.

Who is this qualification for?

This qualification is particularly appropriate for anyone wishing to gain a broad understanding of Motor Insurance.

Benefits for individuals and employers

By completing this qualification, you will be able to understand motor insurance products and how to support motor insurance customers. This will assist you in understanding your role and your workplace and prepare you to progress to more detailed study of insurance concepts, market, processes and products.

The Award in Motor Insurance can play an important part in helping employers to support your development and ensure that their teams have the right level of technical awareness and understanding.

Summary of content

The qualification consists of one core unit that develops an understanding of key insurance topics relating to motor insurance, including;

- the need for cover and its benefits;
- insurance legal principles and duties;
- product features;
- how cover is arranged and provided; and
- the principles of delivering good customer service.

Study time

Specific study time guidelines are provided for each unit on its webpage and in the CII qualifications brochure. The notional Ofqual 'Total Qualification Time' for this qualification is 20 hours.¹ This represents the time a student might typically take to complete the qualification.

Assessment format

Each unit is assessed by a single multiple-choice on screen exam, exams are available weekly at UK and non-UK online exam centres or via remote invigilation. The qualification award will be graded pass/fail.

The nominal pass mark for this qualification is 70%. Please note, pass marks may vary from examination to examination to take account of the relative difficulty of examinations presented to candidates, ensuring that the pass standard remains constant.

We regularly update our qualifications, units and assessments to maintain industry relevance and assessment standards.

¹ 'Total Qualification Time' is a term that awarding organisations are required by Ofqual (the qualifications regulator in England) to use to describe the size of qualifications. <https://www.gov.uk/guidance/awarding-organisations-understanding-our-regulatory-requirements>

Further information on learning and assessment for each unit

Please ensure that you refer to the individual unit syllabus for unit-specific details:

- learning outcomes and assessment criteria
