

Continuing Professional Development Certificate

Clinical trials insurance – seeking certainty in an experimental world

Date Monday 24 May 2021

Time 12pm - 1.00pm

Speakers Tanya Patel ACII, Life Science Practice Underwriter and Tom Daniels, Life Science Practice Leader, HDI Global SE – UK

In this IIL accident webinar, Tanya Patel and Tom Daniels provided an insight into the niche area of clinical trials insurance and an overview of the challenges, opportunities and innovation in this space that have come hand-in-hand with the Covid-19 pandemic.

By the end of this webinar, members would have gained an insight into:

- Clinical trial terminology and risk factors
- Clinical trials challenges and considerations during a pandemic
- Some of the innovative Covid-19 related clinical trial activity currently underway

CII CPD event accredited - demonstrates the quality of an event and that it meets CII member CPD scheme requirements.

This lecture or podcast can be included as part of your CPD requirement should you consider it relevant to your professional development needs. It is recommended that you keep any evidence of the CPD activity you have completed and upload copies to the recording tool as the CII may ask to see this if your record is selected for review.
