

Insurance claims handling (non-UK)

Objective

To provide knowledge and understanding of the claims handling process including notification, assessment, settlement and associated financial factors.

Summary of learning outcomes	Number of questions in the examination*
1. Understand the general principles in the claims handling process.	12
2. Understand insurance products and associated services.	13
3. Understand claims considerations and administration.	13
4. Understand claims-handling procedures and related claims services.	13
5. Understand the claims function and how it may be structured.	6
6. Understand claims settlement.	10
7. Understand how expenses are managed.	8

* The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes

- Method of assessment: 75 multiple choice questions (MCQs). 2 hours are allowed for this examination.
- This syllabus will be examined from 1 May 2023 until 30 April 2024.
- This PDF document is accessible through screen reader attachments to your web browser and has been designed to be read via the speechify extension available on Chrome. Speechify is an extension that is available from <https://speechify.com/>. If for accessibility reasons you require this document in an alternative format, please contact us on online.exams@cii.co.uk to discuss your needs.
- Candidates should refer to the CII website for the latest information on changes to law and practice and when they will be examined:
 1. Visit www.cii.co.uk/qualifications
 2. Select the appropriate qualification
 3. Select your unit from the list provided
 4. Select qualification update on the right hand side of the page
