

Personal tax and trust planning

Learning Outcomes

At the end of this unit, candidates will be able to:

Evaluate the complex needs of clients and recommend appropriate solutions based upon **detailed understanding and analysis** of the:

1. Process by which both individuals and parties to a trust are taxed;
2. Taxes on income and capital that may be charged during life and on death, the self-assessment system and how tax liabilities are calculated and applied to both individuals and trusts;
3. Tax treatment of different kinds of investments;
4. Impact of residence and domicile on an individual's liability to UK tax;
5. Creation and use of trusts and the roles and responsibilities of all parties;
6. Implications of substituted decision making during lifetime, the use of Wills, the administration of an estate and dying intestate.

Entry guidance

It is assumed that the candidate already has the knowledge gained from a study of units R03 Personal taxation, J02 Trusts and elements of R05 Financial protection or equivalent.
