Aspire Apprenticeship Programmes

NEW

Employers have told us they need quality-assured apprenticeship training programmes that are accessible, convenient and offer a simple solution to access available funding for businesses of all sizes.

Our new purpose-built and standardised training programmes are easy to access, convenient to use and help businesses access available funding. With training providers carefully selected by the Chartered Insurance Institute, Aspire Apprenticeship Programmes provide apprentices with the knowledge, skills and behaviours to add real value to your business.

The smart way to make apprenticeships work for your business

Access

Nationwide training providers offer employers of all sizes easy access to apprenticeship standard programmes for insurance and financial planning through a simple online registration.

Reassurance

Training providers with proven expertise in apprenticeship training standards are carefully selected by the Chartered Insurance Institute, giving employers the reassurance and trust they need.

Convenience

Aspire Apprenticeship Programmes run throughout the year to help employers enrol apprentices quickly onto a choice of e-learning and face-to-face training programmes.

Apprenticeship funding

Aspire Apprenticeship Programmes make it easy for firms with wage bills less than £3m to access 90% co-investment funding. For larger levy-paying firms, Aspire Apprenticeship Programmes offer easy access to levy funds to spend on apprenticeships.

Three steps to enrol your apprentices to start their learning journey

1 Register today

Register your interest here:
www.cii.co.uk/apprenticeships

2 Application

An approved training provider will contact you to discuss how Aspire Apprenticeships Programmes can work for your business

3 Onboarding

Your apprentices are ready to be enrolled and start their training programme. Rolling intakes run throughout the year with programmes starting in January, May and September
