

Discretionary investment management

Purpose

At the end of this unit, candidates should be able to demonstrate an understanding of:

- the behaviour, performance, risk profile and correlation of key investment types;
- discretionary and non-discretionary portfolio management;
- the principles of performance measurement, financial analysis and ratio analysis;
- the principles of performance management and portfolio theory.

Summary of learning outcomes	Number of questions in the examination*
1. Understand how to establish and meet a client's investment objective.	4 standard format
2. Understand the behaviour, performance, risk profile and correlation of key investment types.	8 standard format
3. Understand the role of the investment manager.	6 standard format
4. Understand discretionary and non-discretionary portfolio management.	5 standard format
5. Understand investment fund objectives and approaches.	2 standard format
6. Understand the fundamentals of economics applicable to investment management.	5 standard format
7. Understand how investment returns are related to investment risk.	7 standard format
8. Understand the principles and limitations of modern portfolio theory.	7 standard format
9. Understand indices and performance measurement.	12 standard format
10. Understand data and regression.	2 standard format
11. Understand the principles of basic financial mathematics.	2 standard format
12. Understand accounts and their interpretation.	7 standard format
13. Understand information sources and disclosure obligations and bias thereof.	3 standard format
14. Apply the principles of performance measurement and portfolio theory.	20 case study based questions
15. Analyse, interpret and compare financial information and financial ratios.	

*The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes

- **Method of assessment:** 70 multiple choice questions and 4 case studies, each comprising 5 multiple response questions. 2 hours are allowed for this examination.
- This syllabus will be examined from 1 September 2018 to 31 August 2019.
- Candidates will be examined on the basis of English law and practice in the tax year 2018/2019 unless otherwise stated.
- It should be assumed that all individuals are domiciled and resident in the UK unless otherwise stated.
- Candidates should refer to the CII website for the latest information on changes to law and practice and when they will be examined:
 1. Visit www.cii.co.uk/qualifications
 2. Select the appropriate qualification
 3. Select your unit on the right hand side of the page

Reading list

The following list provides details of additional resources which may assist you with your studies.

Note: The examination will test the syllabus alone.

The reading list is provided for guidance only and is not in itself the subject of the examination.

The resources will help you keep up-to-date with developments and will provide a wider coverage of syllabus topics.

CII/PFS members can access most of the additional study materials below via the Knowledge Services webpage at www.cii.co.uk/knowledge.

New materials are added frequently - for information about new releases and lending service, please go to www.cii.co.uk/knowledge or email knowledge@cii.co.uk.

Reference materials

International dictionary of banking and finance. John Clark. Hoboken, New Jersey: Routledge, 2005.*

Harriman's financial dictionary: over 2,600 essential financial terms. Edited by Simon Briscoe and Jane Fuller. Petersfield: Harriman House, 2007.*

Lamont's financial glossary: the definitive plain English money and investment dictionary. Barclay W Lamont. 10th ed. London: Taxbriefs, 2009.

* Also available as an ebook through Discovery via www.cii.co.uk/discovery (CII/PFS members only).

Examination guide

If you have a current study text enrolment, the current examination guide is included and is accessible via Revisionmate (www.revisionmate.com). Details of how to access Revisionmate are on the first page of your study text.

It is recommended that you only study from the most recent version of the examination guide.

Exam technique/study skills

There are many modestly priced guides available in bookshops. You should choose one which suits your requirements.

The Insurance Institute of London holds a lecture on revision techniques for CII exams approximately three times a year. The slides from their most recent lectures can be found at www.cii.co.uk/iilrevision (CII/PFS members only).
