## CF6 2023–24 edition

### Web update 1: 6 March 2024

Please note the following update to your copy of the **CF6** study text:

#### Chapter 14, section C5D, page 14/11

Please amend the bullet list to read as follows (change shown in **bold**):

The claimant starts getting the loan:

- from the date they start receiving pension credit;
- **after the claimant has received Universal Credit for three months in a row**; or
- after the individual claimed any other qualifying benefit for 39 consecutive weeks.
